Nation Welcomes People To
Import Our Quality Products In
To Their Country.

ABOUT PRODUCT

BANANA

- Green Or Yellow, Un-ripped or Ripped, We Export all types of fresh and organic bananas.
- India is a leading country in banana export and we pick bananas from the best farms from the states of Gujarat, Maharashtra, Tamil Nadu, Kerala, and Karnataka.
- These are the major banana growing states in India which confirms for the best quality of bananas.
- We consider the usage of bananas from our importers and hence suggest which breed of banana can be most useful from them.
- This company was created with one purpose: to give a legal and fair price to our partners producers.
